

**Our farmhouse** is situated in a rural nook of the easternmost part of Westfalia on outskirts of the village of Bühne.

We have two snugly vacation apartments to offer. The apartments are one flight up and offer a view of our garden and grounds.

Each furnished apartment consists of a living room with complete kitchenette and seating arrangement, as well as a double bed alcove. There is also a small separate bedroom for one or two persons (one apartment has bunk beds) and a bathroom with shower.

Garden, meadow and park-like trees surround our house. There are seating arrangements on the lawn and a barbeque corner.

Two Shetland ponies, waterfowl, a pot-bellied pig, as well as two dogs and two cats are resident on **Wendtshof**

Our house is located in a 1300-soul village. Our property lies on the western perimeter of the village, but only a few steps from a bakery and butcher shop. Our butcher has quality meats from this region. Our baker bakes his bread and rolls as in the good old days.

Bühne (which is also the German word for "stage" as in "All the world's a stage...") is located near the conjunction of the 3 states of Northrhein-Westfalia, Hesse and Lower Saxony, in the foothills of the rolling Weser mountains (Weserbergland).

In the nearby river valleys lie the Weser towns of Beverungen, Bad Karlshafen and the county seat, Höxter. The Reinhardswald is near and the Forests of Solling

and Bramwald are on the far side of the river. There are excellent opportunities for hiking, riding, bicycle and motorcycle tours in the rolling mountains and valleys. The bicycle route "R6" runs past our doorstep and leads to or from the popular north-south bicycle route "R 99" in the Weser valley. All day scenic tours on both sides of the river are possible for motorcyclists.

The Weserberglandtherme located in Bad Karlshafen offers spa relaxation and/or swimming fun for the whole family. Hofgeismar has large indoor-outdoor swimming facilities. In the summertime the swimming pool in Borgentreich can be reached directly via the bicycle route R6.
